

MC cable is a mess
without Cablofil.

Conduit is a **WASTE** of **TIME**

Cablofil tray with MC cable provides a
cost-effective alternative to pipe and wire.

The **smart** approach to cable management.

- Cablofil wire cable tray is quick and easy to install
- No need to bend pipe, lube wires or install pull boxes
- MC cable can be easily inspected through open Cablofil tray
- Provides clean, orderly appearance with defined pathways

Why **waste** time and money?

- Conduit, wire and strut cost 40% more than MC cable with Cablofil tray*
- Conduit takes 2.5 times longer to install*
- No need to worry about availability

Cablofil invented the wire cable tray industry more than **30 years** ago. Since then, we have continued to focus on developing products that save both time and money. Cablofil is a global leader with the **world's largest** production capacity of any wire cable tray manufacturer including our 78,000 square foot facility in Mascoutah, Illinois. Today more than **80,000 miles** of genuine Cablofil wire cable tray has been installed worldwide.
