BONUS Prepaid Freight Policy

1 Aluminum Building Wire BONUS

2,000 pounds of Aluminum Building Wire product qualifies the entire order for prepaid freight including any additional weight from products within Categories **A**, **B**, **C** or **D**.

2 Product Combination BONUS

4,000 pound combination from Standard Products and Specialty Products qualifies the entire order for Prepaid Freight. At least three of the four specialty products must be represented in the order with a minimum of 1,000 lbs in any combination. The balance of the order poundage can come from the Standard products. Order must ship to one location.

Standard Products

- Copper Bare Wire
- Copper Building Wire
- Copper Insulated Utility Cable
- Copper Industrial Power and Control Cable
- Aluminum Industrial Power Cable
- Aluminum Bare Wire and Cable
- Aluminum Insulated Utility Cable

Specialty Products

- Copper Metal Clad (CuMC) Cable
- Aluminum Building Wire/Aluminum Metal Clad (ALMC)
- Copper Cordage
- Metallic and Non-Metallic Liquidtight/Flexible Conduit Products

Delivery Terms apply to each Ship-to Location. Shipments outside the continental United States are subject to additional freight charges. When placing your order, please confirm your order meets the weight requirements for prepaid. Upon request Southwire will assist in the calculation of your order.
